

## Position Vacant

### Course Superintendent – Rotorua Golf Club – Arikikapakapa, Rotorua

Rotorua Golf Club is looking for a Golf Course Superintendent to head the team that prepares our acclaimed geothermal Golf Course as we head into a significant period of re-design and development.

Arikikapakapa is located on the southern edge of Rotorua City, only minutes from the centre of the town, and close to the lakes, the forest, and the geothermal attractions for which Rotorua is world famous.

The team is currently two full time assistants, and a newly appointed apprentice. There is also a loyal group of volunteers.

Our ideal candidate would have the following skills and qualifications:

1. Sports Turf Qualification, Level 4 or equivalent.
2. Significant experience in the golf course industry.
3. Has been a Superintendent or Assistant who is ready to take a step upwards in responsibility.
4. Be a team player who can guide and manage our staff and volunteers to ensure Arikikapapa is presented at its best, to be enjoyed by Members and visitors of all abilities.
5. Hold a Grow Safe and Approved Handler's Certificate.
6. A good understanding of Workplace Health and Safety requirements and the reporting of them.
7. Strong communication skills.
8. The ability to liaise and forge relationships with other Golf Superintendents in the Bay of Plenty region sharing knowledge and ideas.
9. Be able to work closely with the Club's General Manager (to whom the Course Superintendent will report on all matters), and the Board.

But most importantly:

1. Be eager to strive to consistently make improvements to the presentation of the current Golf Course, and
2. Enthusiastically embrace the vision of the Board, and help in further developing that vision, to fulfil the potential of the Arikikapakapa site as an outstanding golf facility. The Club has well advanced and extensive re-development plans to build new holes incorporating more of the wonderful geothermal areas in the Northern Arikikapakapa Reserve and the appointee will be expected to take an active role in this development, both the planning and the implementation, in conjunction with the Club's designer.

Please forward, by 18 February 2022, your CV with a covering letter addressed to the General Manager at email
